SHARPNews: Sexual Health Training - Hawaii - 27-28 Oct 2016

SHARP will conduct sexual health training at Schofield Barracks, Hawaii in the Post Conference Room, 1566 Trimble Road, Bldg 584.

- Wednesday 28 Sep; 0800-1600: Promoting Sexual Health in Military Populations. Students explore sexual health norms and facts, learn about the impact of sexually transmitted infections, including Zika and HIV, and unplanned pregnancies on military populations; explore indicators of sexual health in populations and indicators of supportive policies and practices in communities; key components of a sexual health promotion campaign; forging community partnerships; sources of sexual health education materials and training; key components of a targeted condom access strategy; teaching groups and individuals about correct and consistent condom use and about contraception options.

- Thursday 29 Sep: 0800-1100: STI 101 for Non-Clinicians. Students receive basic information about common sexually transmitted infections: transmission, symptoms, incubation, treatment and prevention – for non-clinicians.

- Thursday 29 Sep; 1200-1600: Management of the STI Patient. Students learn the idealized patient flow and essential services for patients diagnosed with a sexually transmitted infection to include treatment, testing, vaccination, counseling, partner services and follow-up.

Speaker: Michael R. (Bob) MacDonald, MS, CHES, Manager, Sexual Health and Responsibility Program (SHARP), Navy and Marine Corps Public Health Center.
